

**PREMIER QUALITY SERVICES LIMITED**  
Presents  
**IMPLEMENTING OCCUPATIONAL HEALTH AND SAFETY (OHSAS)  
MANAGEMENT SYSTEMS**

Premier Quality Services Limited is pleased to introduce OH&S training to its wide range of training courses available. Introducing OH&S Management Systems into your organization is a keen approach in ensuring that your organization is managing safety effectively and learning how they affect you and your employees.

### **COURSE OBJECTIVES**

1. To ensure that all who are involved in risk management consider the case and background for managing safely.
2. To examine the business benefits of adopting a positive approach to OH&S management, integration with other management system frameworks and motivation of the workforce.
